

TITANIC *Quarterly*

No. 001 – SUMMER 2012

for everyone enjoying ARC life

BROUGHT TO YOU BY
THE DOCK
LIFE IN THE TITANIC QUARTER

Hi there!

I'm Chris, and along with Tegan and the rest of the team at The DOCK we run a pop-up cafe at the base of Block 12 of the Arc Apartments.

We're having a blast: meeting the neighbours, connecting with the people who live, work and study here, and being part of community life in this brilliant new part of Belfast.

Since we popped up last Easter, we've been working to make the Dock a cosy place to hang out and meet up. We now serve soup and sandwiches as well as locally sourced tea, coffee, hot chocolate, ice lollies and the best scones in Belfast. We've got free Wi-Fi, comfy sofas, live music on Saturday lunchtimes and all the info you could ever need on the Nomadic, Titanic Belfast and life in the Titanic Quarter.

We've got a new exhibition starting this week with **exclusive pictures** following the restoration of **SS Nomadic**, so if you've been watching out the window at the rebirth of Titanic's little sister ship you can now see what's been going on behind the scenes.

We've also got a massive **art sale**, in aid of Habitat For Humanity, from **9th-11th August**. Call in if you fancy picking up some original art at a great price and supporting a great cause. We always have work from the very best local artists and photographers on display.

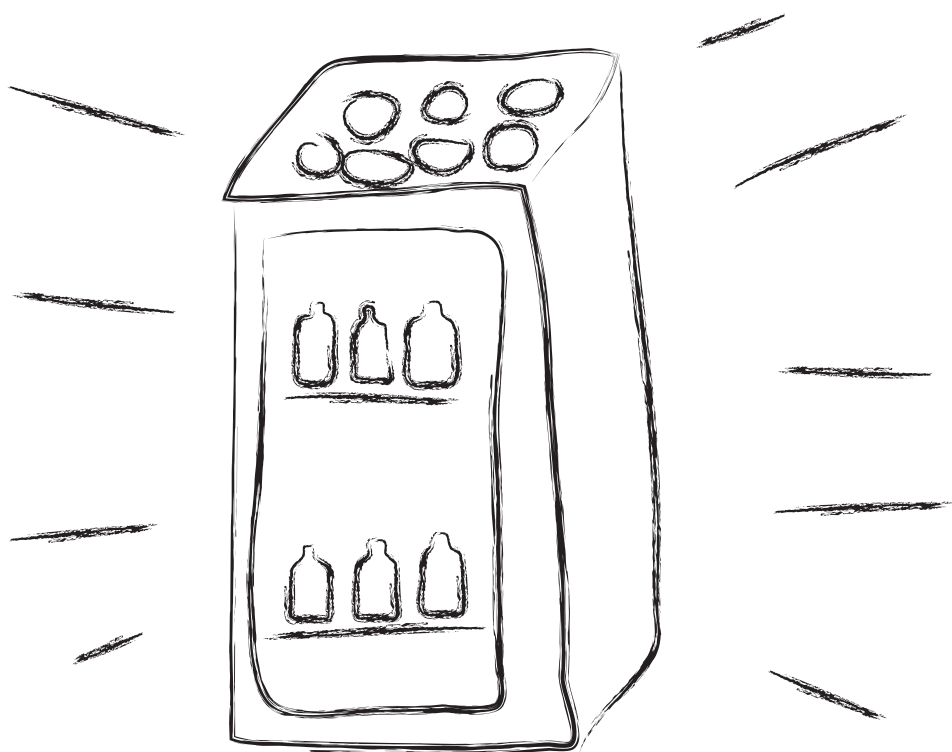

If you haven't already heard, the Dock is also home to the 'Fridge Of Wonder' (see right). We get a few extra pints of milk and loaves of bread every day so you can call in for these essentials rather than having to get in the car to pop to the shops.

Like everything else in the cafe, it operates on an Honesty Box basis: enjoy your cuppa, sip your soup, collect your pint of milk, and if you want to leave a donation in the box you can, it's completely up to you. The great news is that we've been covering our costs with the Honesty Box every day since we opened – good honest people, TQ-dwellers!

The cafe is **open 11 – 7 Tuesdays to Fridays and 11 – 5 on Saturdays**. The kettle is always on and the welcome is always warm! Drop in and see us sometime.
